

Imagine a Future...

Describe your ideal life 3-5 years from now—the boldest vision you can imagine, even if it feels far off. Ask yourself: What do I truly want from life? What skills will I master? Which habits should I drop or build? What will my health and social life look like? How will I spend leisure time? What kind of family life do I want? Where will I be in my career and financially? What traits do I admire and want to grow into? What would I do if I had no fear? What kind of person will I grow into? Start by freewriting before refining your answer below.

This image shows a single page of white paper designed for handwriting practice. It features ten sets of horizontal ruling lines. Each set consists of three lines: a solid black line at the top, a dashed black line in the middle, and another solid black line at the bottom. These sets are repeated down the page with small gaps between them, providing ample space for practicing letter formation and alignment. The margins are consistent throughout.

12 Week Potential

Imagine how your life will change over the next twelve weeks. Aim for progress that feels bold but within your reach. What fears will you face head-on? What talents will you grow? What knowledge will you seek out? What routines will help—or hold you back? Who will you spend time with? How will you relax or have fun? What kind of home life do you want? What will change at work or with money? How will you evolve as a person? Who are you choosing to become?
