

## Imagine a Future...

Describe your ideal life 3-5 years from now—the boldest vision you can imagine, even if it feels far off. Ask yourself: What do I truly want from life? What skills will I master? Which habits should I drop or build? What will my health and social life look like? How will I spend leisure time? What kind of family life do I want? Where will I be in my career and financially? What traits do I admire and want to grow into? What would I do if I had no fear? What kind of person will I grow into? Start by freewriting before refining your answer below.

## The Consequences of Inaction

Though it may feel unsettling, envision the genuine consequences of not honoring your commitments. Picture the most serious yet believable outcome. What does that scenario look like? Who do you become, and how are your health, finances, and relationships affected?

This image shows a full page of primary-ruled paper designed for handwriting practice. It features multiple sets of horizontal lines across the entire page. Each set consists of three lines: a solid top line, a dashed midline, and a solid bottom line. These lines are repeated down the page to provide ample space for practicing letter formation and alignment. The paper is otherwise blank, with no margins or additional markings.
