Imagine a Future...

Describe your ideal life 3-5 years from now—the boldest vision you can imagine, even if it feels far off. Ask yourself: What do I truly want from life? What skills will I master? Which habits should I drop or build? What will my health and social life look like? How will I spend leisure time? What kind of family life do I want? Where will I be in my career and financially? What traits do I admire and want to grow into? What would I do if I had no fear? What kind of person will I grow into? Start by freewriting before refining your answer below.

A Commitment to Growth

I, (your name), vow to be true to my word and to live with intention. I will no longer treat my time as something to be taken for granted. From this moment on, I commit to striving for my fullest potential—for myself, for those I care about, and for the greater good. I promise to dedicate time to this journal each day until it is complete, and through this practice, to bring my dreams, my purpose, and my highest self into being.
