A Commitment to Growth I, (your name), vow to be true to my word and to live with intention. I will no longer treat my time as something to be taken for granted. From this moment on, I commit to striving for my fullest potential-for myself, for those I care about, and for the greater good. I promise to dedicate time to this journal each day until it is complete, and through this practice, to bring my dreams, my purpose, and my highest self into being.

The Consequences of Inaction

12 Week Potential

| Imagine how your life will change over the next twelve weeks. Aim for progress that feels bold but within your reach. What fears will you face head-on? What talents will you grow? What knowledge will you seek out? What routines will help—or hold you back? Who will you spend time with? How will you relax or have fun? What kind of home life do you want? What will change at work or with money? How will you evolve as a person? Who are you choosing to become? |
