Describe your ideal life 3-5 years from now—the boldest vision you can imagine, even if it feels far off. Ask yourself: What do I truly want from life? What skills will I master? Which habits should I drop or build? What will my health and social life look like? How will I spend leisure time? What kind of family life do I want? Where will I be in my career and financially? What traits do I admire and want to grow into? What would I do if I had no fear? What kind of person will I grow into? Start by freewriting before refining your answer below.

Commitment Cadence

Celebration Plan

Imagine your life 12 months from now. Where do you want to be, and what do you hope to have accomplished? Be specific and aim for goals that excite you, even if they feel slightly out of reach. Think about how you want to grow personally, professionally, and emotionally. What changes do you want to see in your work, your relationships, and your overall well-being?

## 12 Week Potential

/

/ 20

Imagine how your life will change over the next twelve weeks. Aim for progress that feels bold but within your reach. What fears will you face head-on? What talents will you grow? What knowledge will you seek out? What routines will help—or hold you back? Who will you spend time with? How will you relax or have fun? What kind of home life do you want? What will change at work or with money? How will you evolve as a person? Who are you choosing to become?

I, (your name), vow to be true to my word and to live with intention. I will no longer treat my time as something to be taken for granted. From this moment on, I commit to striving for my fullest potential—for myself, for those I care about, and for the greater good. I promise to dedicate time to this journal as often as I am able, and through this practice, to bring my dreams, my purpose, and my highest self into being.
